

Suggestions:

1. **Setup of website substructure for initiation/organisation of IITs**
 - Link-collection (authorities, expert institutes)
 - Collection of sample documents'
 - e.g. Contracts, regulatory requirements in different countries
 - European- and country specific
2. **Setup of Expert Committee International IITs**
 - Members (1-2) of any clinical workpackage:
Transfer of information in between the WPs
 - Representing each ELN country: provide country specific information
3. **Implementation of a confidential (?) discussion forum**
4. **Survey on general conditions for international IITs**
 - Existence and equipment of study centres
 - problems for initiating and conducting (authorities; trial centres)
 - kind of support
 - certifications/Quality management
5. **Confidential Working-Platform for WPs**
 - WP-specific website/password administered by ELIC
 - for drafts, prefinal documents for initiation/conduction

Suggestions:

- 1) **Setup of website substructure for initiation/organisation of IITs**
- 2) **Setup of Expert Committee International IITs**
- 3) **Implementation of a conf. discussion forum**
- 4) **Survey on general conditions and problems related with IITs**
- 5) **Confidential Working-Platform for WPs**

ToDo's:

- Basic contents, by ELIC
- Decision making, all WPs
- Feedback to ELIC
- General Feedback, distribution and poll-feedback, all WPs
- contact ELIC
